Java DOC / Documentation

Presenter Name: Team IDK

Discussion: Programmers guide vs. User guide, specifics needed for documentation. "Abstract Kernel" idea from 321 to form the documentation for the peer group review. Composed a meeting schedule for before and after class on Monday and Wednesday as well as 12-1pm on Thursday. Jim is going to look into setting up a section for code.google.com in order to be able to work from home on the same source code.

Type: Documentation

Other Information:

Schedule: Monday 7:30-?, Wednesday (12pm-1pm), 7:30 - ?, Thursday (12pm – 1pm)

Conclusions: Use multiple classes in Java to accomplish our goal. We will be keeping the simulator and the main SummiX machine separate.
